

Libby eBooks, Audiobooks Android, or Windows 10

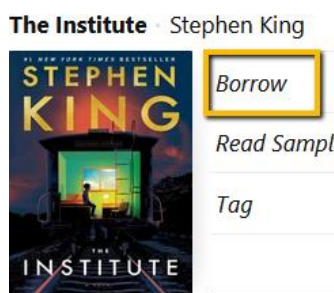

EBOOKS AND AUDIOBOOKS FIRST STEPS (magazine instructions next page)

1. Download the free Libby app on your Chromebook from the Google App store (iOS, Android). Or, use Libby in your web browser at libbyapp.com.
2. Libby will guide you through adding your library and library card:
 - type 'Marmot' to search and then tap 'Marmot Library Network' when it pops up.
 - Select 'All Users (except CMC)' on the next screen.
3. Log in with your library card (**LUNCH #**).

TO START READING:

1. Search for a book using the search box
2. Once you find a book to read, select 'Borrow' (if the book

says Place Hold, that means it's checked out and you can be put on the waiting list). You are allowed 5 checkouts at a time and books check out for 21 days, by default.
